If you want access to an ultimate shared Google Team Drive with all Wii, Wii U, GC, DS games for all regions and Redump/No-Intro verified, please do the following:

1. Go to https://groups.google.com/g/wiigcgames/
2. Click “Join group”, and then click “Join group” again on the window that pops up.
3. Go to https://drive.google.com/
4. On the left sidebar (on a computer), go to “Shared drives”, then click “Show hidden drives”.
5. The shared drive should appear, you can right click and select “Unhide shared drive”. Enjoy.
